## JOIN THE PARTY AT VERTIGO ADVENTURES

Forget cup cakes and ice cream – if you really want your little monkey's birthday party to go with a swing, Vertigo Adventures is the place to be.

The high- and low-ropes course, in Stanborough Park, Welwyn Garden City, is now offering celebration packages for kids looking for a thrilling alternative.

Party-goers will enjoy up to two hours of activities. For younger adventurers, the Little Monkeys Party includes a session on the 10ft-high Monkey Trail low ropes and a fun experience on the Crazy Climb tower. Braver party-goers can opt for the Awesome Adventurers Party, with a session on the 40ft Hawks View high ropes and either whizzing down The Flying Fox 165ft zip wire, a free-fall plunge on The Plummet powerfan descender, or the Crazy Climb.

Little Monkeys costs £18 per child and participants need to be aged 5+ and at least 1m tall. Awesome Adventurers costs £22 per child and participants must be aged 8+ and at least 1.4m tall. A minimum of six children are required. Prices include a cold Subway 6in sub, packet of crisps, cookie, piece of fruit and a drink.

Children aged 8-10 must be accompanied on the Hawks View course by an adult, who will be charged at the standard rate of £15 (one adult per two children). Mums, dads, family and friends are welcome to come along and watch and additional adults who want to join in with the activities will be charged the standard rate.
